FYI, see below. We only did security, which is what we will be telling Paul. However, since this may be a controversial subject I wanted to make you aware of it.

Cody,

I need a comment on the arrest of No More Deaths' volunteer Scott Warren. He was arrested on Wed., Jan. 18 by Border Patrol, but in the complaint against Warren, two deputies from Pima County performed a "knock and talk" on a building known as the "Barn" — I believe this is in the desert near Ajo.

Thanks.

Paul M. Ingram
